PRODUCT CERTIFICATE

AGRICULTURAL FERTILIZERS

SOP (SULPHATE OF POTASH)

Specification

Potassium sulphate (K ₂ SO ₄)	95.0 % (±1.0%)
Total potassium (K ₂ O)	min 50.0 % (±1.0%)
Chlorides (Cl), max	2.0 % (±0.3%)
Total Sulphur (SO ₃)	40.0 % (±1.0%)
Granulometry, <1.00 mm, min	98.0 %
Moisture, max (%)	0.5 %

Origin

European Union.

Store fertilizer in a dry place, away from direct sunlight. Big bags should preferably be stored indoors in a single layer. If stored outdoors, ensure they are kept under cover to protect from various weather conditions.

- The storage site should be dry, shady, and wind-protected.
- Big bags should be placed on pallets.
- Big bags should be protected with a cover.
